GOVERNMENT OF INDIA
PETROLEUM AND NATURAL GAS
LOK SABHA

UNSTARRED QUESTION NO:1194
ANSWERED ON:24.07.2017
New Terminal by IOCL
Devi Smt. Rama;Mohammed Shri Faizal P.P.

Will the Minister of PETROLEUM AND NATURAL GAS be pleased to state:

(a) the details of existing LNG terminals set up in the country, State/company-wise;
(b) whether the Indian Oil Corporation Limited (IOCL) proposes to set up a new terminal at Motihari and if so, the details thereof along with the works undertaken in this regard; and
(c) the present status of Puthuvype LNG terminal in Kerala?

Answer

MINISTER OF STATE (INDEPENDENT CHARGE) IN THE MINISTRY OF PETROLEUM & NATURAL GAS (SHRI DHARMENDRA PRADHAN)
(a): At present, there are four existing Liquefied Natural Gas (LNG) Terminals with total re-gasification capacity of 26.3 Million Metric Tonne Per Annum (MMTPA) in the country. State/company-wise details are Annexure-I.
(b): Indian Oil is setting up Petroleum Oil Terminal with facilities for Pipeline receipt and TT loading of Motor Sprit (MS) and High Speed Diesel (HSD) along with Liquefied Petroleum Gas (LPG) Bottling Plant. Land for the projects has already been acquired.
(c): The Puthuvype LNG Terminal (Kochi LNG Terminal) has been commissioned in August, 2013 by Petronet LNG Limited (PLL), with nameplate capacity of 5 MMTPA at Kochi, Kerala. The terminal area is situated in the Special Economic Zone(SEZ) of Puthuvype near the entrance to Cochin Port. Terminal has two full containments above ground LNG storage tanks of net capacity of 155,000 cubic meters each. Presently, the RLNG from this terminal is being supplied to FACT (fertilizer), BPCL (Refinery), Kochi CGD network and other small customers in and around Kochi region.
